

# **Stakeholder outreach and communications**

## **ITEM 7. INVOLVEMENT OF PARTIES AND OTHER STAKEHOLDERS**

# Long-term strategy

The Conference of the Parties will:

Regularly use targeted communication (e.g., newsletters, **press releases**, leaflets, **website**, **participation in forums**) to reach competent authorities and other stakeholders (e.g., authorities at regional or local levels, industry, other organizations) and to promote and further increase the understanding of the work under the Convention; and

Organize working visits and high-level meetings to activate the less involved competent authorities and other stakeholders and to support related national and international activities.

## **Forums**

- **European Union-funded Programme for Prevention, Preparedness and Response to Natural and Man-made Disasters meeting (Brussels, 9–10 June 2011)**
- **Wilton Park Conference on Environmental Emergencies (Montreux, Switzerland, 14 September 2011)**
- **OECD Workshop on Natural-hazard Triggered Technological Accidents (Natech) Risk Management (Dresden, Germany, 23–25 May 2012)**
- **Workshop on Cross-border Exposure Characterisation for Risk Assessment of Chemical Incidents (Warsaw, 4–5 April 2012)**
  - member of the Working Group on Implementation representing the Republic of Moldova, as decided by the Bureau

# **Communications**
